Pulmonary Fibrosis is a chronic, progressive lung disease that kills 5,000 people every year in the UK and is increasing.

Effective treatments are very limited, are not suitable for all patients and there is no cure. The disease is unpredictable but median survival from diagnosis is three years.

Action for Pulmonary Fibrosis needs your help to support patients and families, and to contribute to medical research.

Thank you.

Make your gift worth more at no extra cost

If you would like to Gift Aid your donation and enable us to claim 25p in tax back for every £1 gift aided you must pay an amount of UK Income Tax and/or Capital Gains Tax for each year (6 April one year to 5 April the next) that is as least equal to the tax that we and any other charities you support will reclaim on your donations for that tax year. It is your responsibility to pay any difference. Please tick ✓ the gift aid box!
